

Honoré Mercier Discipline Protocol

All students from kindergarten to grade 6 must abide by the following discipline protocol:

Please note that any disrespect of the Honoré Mercier’s Code of Conduct & School Rules will result in the following consequences:

Mindful Moment Room

Disrespect or refusal to follow any of the eight Honoré Mercier’s codes of conduct or school rules, will lead to a reflection period in the **Mindful Moment Room** or to a **Behavior Report** by administration or any staff member. Students who have not followed the rules will be asked to **complete a mindful reflection at home** and to bring it back signed by themselves and their parents. ****Failure to bring back the reflection signed will result in more reflection periods in the Mindful Moment Room.**

Socio-Community police officer

It is important to note that our socio-community police officer will be visiting our Mindful Moment Room and will be permitted to intervene with administrative discretion. Parents will be contacted if that is the case.

After School Detentions

Excessive lates will lead to after school detentions to make up for the lost time in school. Parents will be contacted if that is the case.

Suspensions

Verbal, physical or emotional aggression will result in an **in school** or an **at home suspension**.

★ **We believe in promoting a positive environment for all students, therefore, part of our discipline protocol encompasses promoting our *Virtues of the Month* and rewarding students who best exemplify those virtues.** ★

Please complete section below and return sheet to main office

I, _____ , parent/ guardian of, _____ , have read
(name of parent/ guardian) *(name of student)*

and accepted the Honoré Mercier Discipline Protocol.
