

ANTI-BULLYING ANTI-VIOLENCE

(ABAV) Action Plan

What is the ABAV Action Plan?

In accordance with the Education Act, all elementary and high schools must develop an anti-bullying and anti-violence plan aimed at fostering a **safe school** environment. The focus is to outline prevention measures and intervention methods for incidents of **bullying** and/or **violence** through nine essential elements:

- **Element 1:** School Analysis
- **Element 2:** Prevention Measures
- **Element 3:** Collaboration with Families
- **Element 4:** Procedures for Reporting
- **Element 5:** Intervention Protocol
- **Element 6:** Confidentiality Measures
- **Element 7:** Support Measures
- **Element 8:** Disciplinary Actions
- **Element 9:** Complaint Follow-Up

Each school's ABAV Action Plan is available on its respective website.

***Note:** as an educational institution, the English Montreal School Board prioritizes **remediation** practices centered around re-integration and restorative approaches, rather than relying primarily on disciplinary consequences.*

How is the ABAV Action Plan developed?

Each year, the school assembles a **committee** consisting of various staff members to set prevention measures based on the identified priorities following an analysis of the situation related to bullying and/or violence.

The ABAV committee also conducts an **annual review** of the prevention measures initiated throughout the year to ensure the maintenance of a safe school environment.

The ABAV Action Plan must be approved annually by the school's Governing Board.
